FYI - Virginia Sloan with Sen Tester's office has been told that Glencore will be issuing a press release today. This is the first I've heard of this. She's not (and I'm not) sure of the content. Have you guys heard anything about this?

Thanks,  
Rob

We had a call from Haley Beaudry, former public affairs for Glencore and CFAC. He said he will be issuing a press release today on behalf of Glencore. . He is not sure of the content, Wondering if you know anything about what they might be up to!

Thanks and see you on Thursday.
